## Technical data

### Basic data

|                |                                            |
|----------------|--------------------------------------------|
| Suitable for   | PRK retro-reflective photoelectric sensors |
| Pre-mounted on | TKA 30x46 reflector                        |

### Mechanical data

|                                             |                       |
|---------------------------------------------|-----------------------|
| Design                                      | Rectangular           |
| Reflection surface width                    | 46 mm x 30 mm         |
| Reflector material                          | Plastic               |
| Standard designation, metal mounting device | Aluminum              |
|                                             | Steel, galvanized     |
| Type of fastening                           | Clampable             |
| Type of fastening, at system                | For 10 mm rod         |
|                                             | Sheet-metal mounting  |
| Type of fastening, at device                | Pre-mounted reflector |
| Type of mounting device                     | Clampable             |
|                                             | Swiveling             |
|                                             | Turning, 360°         |
| Mounting device material                    | Metal                 |
| ITEM-compatible                             | No                    |

### Environmental data

|                                |               |
|--------------------------------|---------------|
| Ambient temperature, operation | -40 ... 70 °C |
|--------------------------------|---------------|

### Classification

|                       |          |
|-----------------------|----------|
| Customs tariff number | 83024900 |
| eCl@ss 8.0            | 27279202 |
| eCl@ss 9.0            | 27273701 |
| ETIM 5.0              | EC003015 |
| ETIM 6.0              | EC003015 |
